FREE EYE SCREENING CAMP - REPORT

The National Service Scheme, Central University of Tamil Nadu in association with Lions Eye Hospital, Thiruvarur organised a Free Eye Screening Camp for students, faculty and staff members of CUTN on 7th and 8th September 2017 with the objective to promote eye health and to detect refractive errors and eye ailments among the CUTN community. The Free Eye Screening Camp was formally inaugurated by the Dean of Students Welfare, CUTN, Prof. S. Nagarajan in the presence of other eminent dignitaries. Dr. Meganathan Kannan, NSS Programme Coordinator welcomed the gathering. Mr. Premkumar, Camp Coordinator, Lions Eye Hospital, Thiurvarur offered felicitation. Dr. Prem Davis, Medical Officer of CUTN delivered a special address, and explained about the causes, prevention of eye diseases and promotion of eye health. Followed by the special address, Dr. P.Udhayakumar, NSS Programme Officer proposed vote of thanks. Our Registrar Dr. S. Bhuvaneswari graced the occasion with her presence on the second day of the eye screening camp. In the eye screening camp around 300 members of CUTN, including students and staffs, were examined by ophthalmologist and appropriate suggestions were given to the individuals identified with refractive errors and ophthalmic diseases.
