From The Vice Chancellor's Desk

Prof. A. P. Dash

The Hon'ble Vice-Chancellor

I am delighted to introduce CUTN's prospectus which presents our academic courses to the prospective students, their parents and the public.

Established in 2009 at an impressively expansive landscape of 516.76 acres, the Central University of Tamil Nadu (CUTN) has grown like a banyan tree and has become a premier institute. Widely acknowledged for its quality higher education in India, with an evenly distributed emphasis on teaching, research and extension in the sciences, humanities and social sciences the University has a firm commitment to social justice and rural upliftment.

The Central University of Tamil Nadu has a varied academic profile. The teaching and research activities of CUTN are conducted through 10 major groupings of cognate Schools, School of Social Sciences and Humanities, School of Basic and Applied Sciences, School of Mathematics and Computer Sciences, School of Behavioural Sciences, School of Commerce and Business Management, School of Communication, School of Education and Training, School of Technology, School of Performing Arts & Fine Arts and School of Earth Sciences. These Schools accounts for 22 Departments viz., Departments of English, Tamil, Economics , Social Work, Hindi, History, Physics, Chemistry, Life Sciences, Epidemiology and Public Health, Microbiology, Mathematics, Computer Science, Applied Psychology, Commerce,

Management, Media and Communication, Library and Information Science, Education, Materials Science, Music and Geography. The University offers one under-graduate programme, six integrated programmes, seventeen post graduate programmes, fourteen M.Phil. programmes, twenty one Ph.D. programmes and one P.G. Diploma programme through the above twenty two department of ten schools. Besides, one under-graduate programe and eight post-graduate programmes are offered through the Madras school of Economics, Chennai, and Sardar Vallabhbhai Patel International School of Textiles & Management, Coimbatore. The design of our programmes provides students with expert guidance, new and wide experience and leisure for reflection as well as opportunities to gain intellectually and to acquire a better understanding of the contemporary world.

The student profile of the University is a picture of gender equity with a gender ratio where female students outnumber male students.

Our university continues to grow in its academic reputation. New initiatives towards greater excellence, efficiency and equity are constantly made and sustained. An outstanding academic, research and recreational environment is its forte. The students joining the University experience and enjoy a campus life of perfect balance between high educational standards and a lifestyle coloured with Indian ethos and modernity. Our devoted teaching staff are committed to creating an enjoyable learning environment, reinforced by a strong network of academic advisory and mentorship support. Student feedback is a treasured part of the University's work. Teachers and Students together have play an active and interactive role in instituting and promoting the best learning environment that affords scope to student's full potential.

We understand that success is based on high quality courses, good facilities, friendly ambience and dedicated academic staff. The competitive globalised world needs smart, adaptable, and thoughtful solutions to its complex social and economic problems. Our students can count on the full support of the faculty and administration. Here we offer a safe

and student-friendly environment to shape learners into perfect and successful professionals and citizens. This lively, multicultural mix creates a dynamic learning environment and a rare opportunity for increased cross-cultural understanding. The University fosters collaboration and a multidisciplinary approach with a global outlook that helps students develop a comprehensive vision for success in any part of the world.

We fully recognise that a university education is not just its academic programmes. It also concerns the broader social and intellectual demands. We regularly feature guest lectures by professors and experts which are open to all. The University has grown into the region's flagship, a research-led university, known for the excellence of its teaching, research and its service to local communities.

If you are desirous a high quality University education with excellent employment preparation, exposure to intellectual climate and access to a very special social environment, you need no farther than the Central University of Tamil Nadu. You can be sure of a very warm welcome here. As an active, forward-looking university, CUTN invites and welcomes qualified, studious and open-minded students with a passion and initiative to participate in the diverse academic and social activities in the campus.

I would like to record my appreciation of the Efforts and Pains taken by the Prospectus Committee in preparing this first Prospectus of CUTN. I request the students and parents to see our website www.cutn.ac.in for further information.

Vision and Mission

Vision

- To be a global destination for higher education, seeking transformation in knowledge and scholarship

Mission

- To fulfil the long-cherished aspirations of the people of Tamil Nadu to have a national level higher education institution par excellence and contribute substantially in the nation building exercise.
- To devote to teaching, learning and multi-disciplinary research, upholding simultaneously equity, access and excellence so as to be part of the globally acceptable higher education standards.
- To contribute to enhance Gross Enrolment Ratio (GER) and hence to national welfare, ensuring social justice and equity.
- To develop regional cultural richness and take it forward to interact with national cultural mosaic.
- To help create an egalitarian society by developing thought leaders with a difference, in all fields of educational and research activities.
- To contribute for the development of local community through outreach and extension programmes.
