Dear Sir/Madam:

Sub.: IICPT – Organising Open Day – 16th September 2016 – reg.

Greetings from the Indian Institute of Crop Processing Technology (IICPT), Thanjavur!

The IICPT is a pioneer R&D and educational institution in the field of food processing. IICPT offers research in food processing, academic programmes, food quality testing services at its NABL accredited FSSAI referral lab, training and skill development programmes, consultancy services, mobile food processing and quality testing unit services.

With a keen interest to disseminate novel concepts for safe and sustainable food processing, IICPT has taken up several initiatives. Accordingly, we have planned to organize 'Open Day 2016' on the theme 'Safe Food for Healthier Nation'; an occasion in which our campus and facilities will be open for walk through to learn interesting facts about food processing. The Institute will be freely open to public on 16th September 2016 from 9:30 a.m. to 5:00 p.m. and visitors will get access to

- Demonstration of our successful innovation, technologies and machineries,
- Exhibition of food processors and entrepreneurs who have incubated from IICPT,
- Cultural shows on food safety & hygiene, and
- Food courts and refreshment stalls.

On behalf of the management, staff and students, I cordially invite you to visit our Institute on the 16th September 2016. Also, I request you to encourage your staff, students and friends to join us on that day. Please feel free to contact me in case you have any queries. I look forward to meet you at our campus.
