Sub: Misuse of official email IDs by faculty/staff provided by CUTN
attract disciplinary action - Regarding

It has often come to the notice of the administration that the email IDs provided to the faculty/staff by the CUTN for effective and efficient way of communication for the betterment of all the functions of our University has been misused by certain faculty/staff for their own purposes for quarrelling with each other including settling the score. In addition, copy has been marked to all the staff in deviation of the indented purpose. Thereby, the valuable office time has not only been wasted but also misused their official position. By sending copy to all the faculty/staff, the individuals have tried to waste the office time of others also.

This has been viewed seriously by the administration as this is an indiscipline, all the faculty/staff are requested to utilise the email ID with utmost care and restriction and to desist from using the official email IDs for their own narrow gains.

Failures if any noticed would attract disciplinary action according to the rules in force.
