KNOW YOUR BRAIN

TWO DAYS STATE LEVEL WORKSHOP FOR HIGHER SECONDARY STUDENTS

SEPTEMBER 6th, 7th 2018
CONFERENCE HALL, CLC-II, CUTN.

ORGANIZED BY
DEPARTMENT OF LIFESCIENCES, DEPARTMENT OF EPIDEMIOLOGY & PUBLIC HEALTH (DEPH) & DEPARTMENT OF MICROBIOLOGY CENTRAL UNIVERSITY OF TAMIL NADU.

CO-ORGANIZERS
STUDENTS OF 5th YEAR LIFESCIENCES

ONLY FOR HIGHER SECONDARY STUDENTS
ABOUT THE INSTITUTE
Department of Life Sciences (DLS), Department of Epidemiology and Public Health (DEPH) and Department of Microbiology, located under the school of Basic and Applied Sciences.

The mission of the Departments is to contribute to the knowledge in Life Sciences through research, education and creative analysis. The Department is actively involved in organizing various national and inter-national workshops, conferences to provide the better learning platform for student community.

THEME OF THE WORKSHOP
The workshop includes various brain games and short lectures associated with them with the prime aim to make students understand various aspects of neurobiology and brain.

Students of Higher Secondary school level will be selected from each school in and around Thiruvarur town for the workshop through a short Aptitude Test. During the 2 days of this state-level workshop, participants will be introduced to various lecture sessions conducted by the students of 5th year I.Msc Life Sciences.
