MICROBES: FRIEND OR FOE

ONE DAY AWARENESS PROGRAMME
DATE: 1-11-2018
TIME: 10 AM - 5 PM

ORGANIZED BY
Department of Microbiology (DMB)
School of Life Sciences,
Central University of Tamilnadu,
Tiruvarur.

Chief Patron
Prof. A.P. Dash
Hon'ble Vice Chancellor

Patron
Dr. S. Bhuvaneshwari
Registrar

Convener
Dr. D. Siva Sundara Kumar
Associate Professor & Head DMB

Chair Person
Dr. E. M. Shankar
Associate Professor & Dean
School of Life sciences

Co-Chair Person
Dr. Jayalakshmi Krishnan
Assistant Professor & Coordinator,
EPH
ABOUT US

The Department of Microbiology (DMB) is located in the School of Life Science, Central University of Tamil Nadu, DMB is supported by a team of accomplished faculty members adept in academics and research arena outreaching peak functional standards.

MISSION

Our mission is to inculcate research-oriented learning aptitude among the students to acquaint themselves with the nuances of applied technology in microbial research and make them venture into their own vision for furtherance of their knowledge gained in DMB to march forward in getting gainful employment for scientific innovations in general.

ABOUT THE PROGRAM

To bring awareness on microbial related health issues by demonstrating the students how to adopt healthy and hygienic practices. In addition, this program will teach the students how to exploit the microbes to reap the economically beneficial activities.

FOSTERING CONCEPT

Awareness tasks, Short lectures, Interactive videos, Lab demonstrations on healthy habits by the M.Sc. Microbiology students.

ELIGIBILITY

Open to Middle and Higher secondary school students

FREE REGISTRATION ON ARRIVAL

VENUE

CLC-II, Seminar Hall, School of Life Sciences, CUTN
