Sub: Reopening schedule and Academic related matters – Reg.

Based on the recommendations of the High level committee chaired by Hon'ble Vice Chancellor, all Deans, Heads and Faculty members are requested to adhere the following recommendations of the committee for smooth conduct of Academic activities.

1. Online classes will continue till lockdown period or further orders on all working days.
2. It's recommended to treat the months of March (23rd onwards) and April as working days, since all the faculty members have worked from home and have been doing online teaching for the benefits of the students and covering the syllabus also as per the instructions of MHRD and UGC.
3. Further recommended that the month of May 2020 be taken as the preparatory time for accommodation of students in the campus since the hostels are given as quarantine centres to the local administration for COVID 19.
4. It is decided to have two weeks of regular classes from 1st June 2020 followed by end semester examinations.
5. However, the committee will revisit the above recommendations, if any directions received from MHRD/UGC in future in this regard.
