From the Vice-Chancellor’s Desk

I am delighted to introduce this prospectus which exemplifies our courses to the Prospective Students, Parents Communities and General Public. Established in 2009 at an advantageous vast landscape of 516.76 acres, the Central University of Tamil Nadu has grown like a banyan tree and developed into a premier institute, widely acknowledged for its Quality Higher Education in India, with a balanced emphasis in Teaching, Research and Extension the Sciences, Humanities and Social Sciences and with a firm commitment to social justice and rural upliftment.

The Central University of Tamil Nadu has a wide academic Profile. The teaching and research activities of CUTN are conducted in 12 major groupings of cognate institutions Schools viz., School of Social Sciences and Humanities, School of Basic and Applied Sciences, School of Mathematics and Computer Sciences, School of Behavioural Sciences, School of Commerce and Business Management, School of Communication, School of Education and Training, School of Technology, School of Performing Arts & Fine Arts and School of Earth Sciences, School of Legal Studies and School of Life Sciences which consist of 27 Departments viz., Departments of Applied Psychology, Chemistry, Commerce, Computer Science, Economics, Education, English, Epidemiology and Public Health, Geography, Geology, Hindi, History, Horticulture and Floriculture, Law, Library and Information Science, Life Sciences, Management, Materials Science, Mathematics, Media and Communication, Microbiology, Music, Physics, Social Work, Statistics and Applied Mathematics, Tamil and Tourism and Hospital Management. The University offers one undergraduate programme, six integrated programmes, twenty two postgraduate programmes, fourteen M.Phil. Programmes, twenty six Ph.D. Programmes and one P. G Diploma Programme through the above twenty seven departments comprised in twelve schools. In addition, one under graduate programme and eight post graduate programmes are offered through Madras School of Economics, Chennai and Sardar Vallabh bhai Patel International school of Textiles & Management, Coimbatore, who have an MoU with CUTN. Our programmes provide expert guidance to the students, novel and vivid experiences and time for reflection as well as opportunities to students to develop their intellectual skills to encounter the challenges of the contemporary world.

The gender profile of the University shows a rosy picture of the equity in the campus, in terms of the gender ratio, in which the female students outnumber male students. These enhanced enrolment figures of the female bears a testimony for our commitment to encourage and support the academic ambitions of the upcoming female generations in the modern era of social equality.

Our university continues to grow in reputation. New initiatives towards furtherance of excellence, efficiency and equity are undertaken and implemented. An outstanding academic, research and recreational environment are its forte. The students joining the University enjoy a perfect balance between high educational standards and a lifestyle coupled with Indian ethos and modernity. Our devoted teaching staff are dedicated to creating an enjoyable learning environment, reinforced by a strong network of academic advisory and mentorship support. Student feedback has been treasured. Together teachers and students have played active and interactive roles in co-developing and shaping the best learning environment that unleashes students’ full potential.

We understand that success is based on high quality courses, good facilities, friendly ambience and dedicated academic staff. Increasing competition in a globalised world requires smart, adaptable, and thoughtful solutions to complex social and economic problems. Our students can count on full support of faculty and administration. Here we offer a safe and friendly environment to shape students into perfect and successful professionals and citizens.

This lively, multicultural mix creates a dynamic learning environment and a great opportunity for increased cross-cultural understanding. The University fosters collaboration and a multidisciplinary approach with a global outlook which helps students develop the all-round vision to succeed anywhere in the world.

We fully recognise that a university education is not just about its academic programmes. It is also about the broader social and intellectual environment. We regularly feature guest lectures by professors and experts open to all. The University has grown to become the region’s flagship, research-led university, known for the excellence of its teaching, research and its service to local communities.

So if you want a high quality university education with excellent employment preparation, exposure to an intellectual climate and access to a very special social environment, look no further than the Central University of Tamil Nadu. You can be sure of a very warm welcome. As an active, forward-looking university, CUTN invites and welcomes qualified, studious and open-minded students with the passion and initiative to participate in the diverse academic and social activities on campus.

I would like to record my appreciation for the efforts and pains taken by the Prospectus Committee in preparing this third Prospectus of CUTN. I request the Students and Parents to look into our website www.cutn.ac.in for further details.
**Vision**
To be a global destination for higher education, seeking transformation in knowledge and scholarship.

**Mission**

It provides easy links to Open Library resources like Swayam Prabha, e-pathshala, IndiaStat, DOAJ. The Library implemented KOHA - An open source software package supports all housekeeping operations of the library including WebOPAC. RFID technology is also available as part of security measures. There is a separate digital library centre having 30 computers running on high speed internet, apart from this the Library building has secured Wi Fi enabled access to the resources. The library has got a seating capacity to accommodate 100 users at a time. The library is open from Monday to Friday (8am – 12pm), Saturday (10am – 6pm) and Sunday (10am - 2pm). Reprographic facility is also available inside the library. Other salient features include air conditioners, availability of basic amenities like water, ventilation, newspaper section, property counter etc. Recently a MoU is signed with INFLIBNET for Shodhganga project towards the sharing accessing of the Electronic Theses and Dissertations.

The anit-plagiarism software namely Urkund & iThenticate have further strengthened the facilities of the library. It has very good collections on career oriented programs. Through which, not only helps the students to face the competitive exam for jobs but also for clearing the Inter University Research oriented career progress. Central Library, CUTN regularly conducts the following namely user orientation programs, workshops on research/reference tools in order to expose the Library collections, as well as provides bibliographical orientation on demand in order to catalyse the research exploration. Over all Library facilities provide user friendly environment for learning and knowledge creation.
CUTN Data Centre is designed using optical fibre to offer ultra high-speed internet to the academic and administrative blocks, libraries and hostels. It also runs servers to provide online services with regard to administration, admissions, examination, library, e-resources, institutional email and research using campus agreements with state-of-the-art software providers. Apart from free internet connectivity enabled through the Campus Wi-Fi facility, a LAN network infrastructure has been constructed to offer secure and scalable internet connectivity for the CUTN staff, faculty and computer laboratories with gigabit ethernet speed. Smart classrooms have been established in the departments of CUTN creating a digital classroom atmosphere with Wi-Fi and equipped with interactive boards, projectors, computers and multimedia equipment for e-learning.

CUTN Health Centre that will provide emergency treatment to students, faculty members and staffers of the university, besides the general public residing in and around Neelakudi and Nagakudi villages of Thiruvarur. Equipment worth Rs25 lakh have been installed to provide treatment to people in case of emergency and for a health checkup. Equipment installed in the Health Centre include defibrillator, volumetric infusion pump, ECG and multipara monitors. These apart, the Health Centre of CUTN also houses a laboratory that can perform blood, liver and renal function tests. CUTN’s Health Centre has an ambulance, four trained doctors, three staffers and a nurse assistant to cater to all kinds of emergency situations round the clock.

Students are trained in both outdoor and indoor sports and are encouraged to participate in major sports events. The students have participated in football, cricket and marathon races, and won laurels. A Multi-Sports Complex comprising volleyball, basketball, tennikoit and lawn tennis courts; athletic-standard tracks; a cricket ground; and an indoor sports complex with badminton courts and table-tennis facilities is under construction.
