

## **TREE PLANTATION PAKHWADA 2020**

With the outbreak of the Corona Virus, the cadets from Central University of Tamil Nadu from 2(P)Indep Company (Platoon 5 & 6) have engaged themselves to participate in the Tree Plantation Pakhwada, with the guidance of their ANOs as per the direction given by their commanding officer. The ANOs Lt. Dr. Ashok kumar J and Lt. Dr. Lekha D Bhat along with their senior cadets in command were successful in coordinating the cadets in this Tree Plantation Pakhwada.

The ANOs along with the cadets engaged and also encouraged the cadets to participate in the Tree Plantation Pakhwada to plant a minimum of one sampling. It can be seen that the cadets have involved themselves diligently and committed their time in planting the samplings. As we are aware of the situation faced by the country in tackling this Virus, the cadets of CUTN have volunteered in planting a tree beside their house or backyard or in their neighbourhood for the Tree Plantation Pakhwada.

This opportunity has given the cadets to work together for an important cause, despite the fact that they are separated by various boundaries. The cadets of CUTN belong to various different states of India, such as Tamil Nadu, Kerala, Andhra Pradesh, Telangana, Karnataka, Odisha, Bihar and Jharkhand. Due to the Pandemic the cadets reside in their own state and have taken part in this Tree Plantation Pakhwada. We can see the morale and spirit of the cadets by following the command of their officers and working together for a single cause in spite of their background differences.

The activities of the cadets were recorded as video clips or as photographs. The cadets had an exposure and this was seen as their contribution to the environment. The photographs of the cadets and their ANOs planting the samplings have been attached in this report. Around 34 SW and 25 SD have taken part in this Tree Plantation Pakhwada during this Pandemic.
