The data will also be used for the exam registration. They have to register only the current semester courses and not the redo courses they are undergoing (because of attendance deficiency in the previous semester). The core courses are assigned to the students by default. Only language courses, AECC courses (if options are available) and elective courses are to be registered by the students. Students will be permitted to appear for end semester examinations only for the registered courses.

The students are instructed to complete the online course registration process on or before **09.10.2020**.
