

## CUCET 2020 – Research Programme Merit List

Click on the department below to see the Merit List for the programme offered by the respective department.

The list contains the candidates who have applied through CUCET, appeared for written test and secured 50 and above in the entrance test (45 and above for OBC-NCL/SC/ST/PWD) and JRF candidates who have not appeared for the test (as they are exempted as per CUTN advertisement). Only these candidates are eligible to appear for the interview. However, the departments may fix a cut-off based on number of candidates qualified.

The final selection will be based on the combined performance in CUCET 2020 and the Interview (70% to the CUCET score and 30% to performance in interview). The Candidates will receive email communication for interview from the respective Department.
