As recommended by the Task Force Committee which includes the Medical Officer, one month time is required to disinfect the hostels used for the quarantine of the COVID-19 tested positive cases by the Government and for ensuring sanitization and safety protocols after the Handing-over of the Hostel Buildings by the District Administration and Govt. of Tamilnadu and up to that time, it has been resolved that the classes will continue to be conducted with the present Online Mode of teaching and learning, taking into account the safety and security of the Students, Teachers and Staff . However, the Final Year Ph.D Scholars and M.Phil Scholars, if certified on the necessity and urgency, by the respective Supervisors can give an undertaking through the Supervisors and Heads to make their own arrangement for lodging and boarding outside the university premises in order to ensure their own safety and visit their respective supervisors/departments observing strict safety protocols.
