CIRCULAR

Sub: Students coming to the campus for collecting their belongings from the hostels.

It has been observed that students are coming to the campus for collecting their belongings from the hostels.

As a measure of safety in view of the COVID-19 pandemic, students are advised to follow the instructions as below:

1. Students coming from various places shall arrive at the campus, only as per the instructions given by the wardens. They are advised to plan their accommodation outside the campus. In case of students if the said process takes beyond 24 hours, they are advised to seek prior permission from the Head of the Department and Chief Warden (Hostel) to get accommodation in the Guest house (limited to 24 hours only). For this, an e-mail may be sent to Guest house in advance. Students seeking accommodation in the Guest house need to report to CUTN Health centre (now functioning from APQ of residential quarters) for screening.

2. Students shall plan their visit in such a way that they leave the campus on the same day after collecting their belongings from the hostels.

3. Students during this process shall not visit other places in the campus [Library, Administrative office and other Departments] unnecessarily.

4. Students are advised to strictly maintain social distancing, sanitize their hands frequently and always wear face mask.

5. They are advised to communicate with other students and staff through their phones only.
