Guidelines for reopening the CUTN Hostel/s for First year Ph.D. Scholars from Science departments.

1. The Hostels for the First year Ph.D. Scholars from Science departments (Basic and Applied Sciences, Life Sciences, Mathematics and Computer Science, Earth Science, Technology, Behavioural Sciences) will open from 03rd March 2021.

2. The students should bring the signed consent form from their parents/guardians for their admission into the campus [Mandatory to stay in the Hostel].

3. The students should bring a COVID-19 negative report at the arrival taken 48hrs before the travel.

4. Strictly only one student per room will be allotted.

5. The students should report to the health center, CUTN, immediately after reaching the campus and should stay on isolation for 7 days. During the isolation time, only online/mobile interaction with the mentors/teachers is permitted.

6. During the isolation period, if the student experiences any COVID-19 symptoms, he/she should immediately report to the health center. The student should enter the department/laboratory only after being declared fit by the health center doctor. The health center will be operational round the clock in the campus for medical assistance.

7. During the isolation period, food will be provided as per the menu and charge fixed by the Authorities.

8. For every student, during the isolation period, his/her supervisor from their respective department will act as in-charge for ensuring the well-being of the student.

9. The security staff/caretaker will closely monitor the student's safety during this period.

10. The students should avoid crowding within the hostel premises and should strictly follow COVID-19 safety protocols.

11. The students have to enclose their prior permission from their Supervisor and the HOD's.

12. The students are strongly advised to bring along sufficient personal items to avoid leaving the campus for basic purchases. The students upon entry will not be allowed to leave the campus without the permission letter from their Supervisor and Head of the Department.

13. If students return to their native place or other places during the period of stay in CUTN, the isolation procedures should be repeated.

14. Students shouldwear the face mask and gloves and wash their hands frequently with the soap/sanitizer.

15. It is mandatory for the students to take food from the mess by paying advance amount to the caterer.

16. Social distancing should be maintained in all the places and crowding is not allowed at any place under any circumstances.

17. Students should interact with their Supervisor/Department/Administrator through phone calls only and avoid face to face contact.

18. Visitors will not be allowed to visit the students in their hostels.

19. The students admitted in the hostels should give an undertaking that they abide the rules and regulations of the hostel.

Parent/Guardian Consent Form

My daughter/son/ward Miss./Mr. ..... currently pursuing Ph.D. .....year in the Department of ..... under the Supervision of .....from....., Central University of Tamilnadu is permitted to continue his/her pending research work in the department after duly completing the mandatory 7 days isolation at the university hostel from the date of reporting to the university health center. I have no objection to his/her stay in the hostel and working at the department.

I have read and understood the rules and guidelines stipulated by the Central university of Tamil Nadu in this regard.

I also agree that, if any situation arises as to any disease or illness during this period, he/she will be treated as per UGC guidelines (November 2020) and protocol placed by the Central University of Tamil Nadu regarding COVID19.
