Advertisement for Student Intern in SERB Funded Research Project 'GeoDelta'

Applications are invited from interested candidates for Student Intern (1 No.) at the Department of Geography, School of Earth Sciences, Central University of Tamil Nadu for a Science and Engineering Research Board (SERB) funded Core Research Grant (No.CRG/2020/001373).

Project Title: Study of Spatio-Temporal Geomorphic and Land use Dynamics of the Cauvery Delta for Landscape and Environmental Management

Post Title: Student Internship (01 No.)

Assistantship: Rs. 5,000/- p.m.

Duration: Two months (*preferably between Dec 2021 and March 2022*)

Essential Qualifications: Currently as Post Graduate Student in Science or Under Graduate Student in Engineering

Desirable: Final year students of Earth Sciences / Geography / Geology or related disciplines

Nature of Work:

- Assist field surveys and prepare water/sediment samples for scientific analysis (major, trace, REE, XRD, XRF, etc.) at National Laboratories to assess source, location, type, nature and quantum of nutrients and toxics from natural and anthropogenic sources
- Assist Investigators in data compilation/ processing, preparation of progress reports, international journal publications etc.

Selection: Candidates fulfilling the essential qualifications are encouraged to apply online.

Process: Based on academic merit, skills and research experience, 5-10 candidates will be shortlisted for attending online interview. The date of the interview will be informed through email, only to the shortlisted candidates. The decision of the selection committee is final.
