INVITATION

Greetings from Central University of Tamil Nadu (CUTN). We invite PG Students from Department of Mathematics to participate in the “QUIZ Programme” to be held on 20th of December 2022 (Tuesday) at Department of Mathematics CUTN.

ABOUT THE INSTITUTION

The Central University of Tamil Nadu is located in Thiruvarur, a region of cultural and historical significance, and it is established in 2009. Starting with just one programme and eight students, CUTN can now boast of phenomenal development with over 60 programmes and over 2000 students in such a short spell. From the introduction of new programmes and curricular innovation to reach infrastructure development and faculty capacity building, the university has turned its focus in the right areas, and as a result, it has witnessed a huge rise in popularity across the country, attracting the best of minds from the far corners. CUTN represents over 23 Indian states, apart from foreign students.

ABOUT THE DEPARTMENT

The Department of Mathematics was started in the year 2010. Department of Mathematics strives to be a premier educational and research facility in India focusing on innovative teaching, abstraction, application and interdisciplinary research in Mathematics. The Department promotes professional working environment that supports risk taking, innovative ideas and team work. At present we have 9 regular faculty members. We offer five-year Integrated Master programme (I.M.Sc.) in Mathematics and Ph.D. programme in Mathematics. The curriculum for I.M.Sc. programme was designed in consultation with top Mathematicians of this country that includes essential abstract and applied topics of Mathematics.

ABOUT THE VENUE

Thiruvarur is well connected to the major cities and towns by train and bus. The nearest airport is at Tiruchirappalli. CUTN is located about 8 km away from Thiruvarur railway/bus stand. The old bus stand is within walking distance from railway station. Take a bus towards Mayiladuthurai, alight at Kandalancherry. From Kandalancherry, it's about 3 km for which mini bus and autorickshaw are available.

ABOUT THE QUIZ

- i) At most 2 teams are allowed to participate from a college/institute.
- ii) If there are more teams, there will be a preliminary level event.
- iii) Each team should have three participants.
- iv) The quiz master's decision is final.
- v) Lunch will be provided to the registered participants.
- vi) Questions will be in PG level.
