

Department of Mathematics Central University of Tamil Nadu organizes

SYMPOSIUM ON LINEAR ALGEBRA AND MULTI VARIABLE CALCULUS

About the Institution

The Central University of Tamil Nadu is located in Thiruvavur, a region of cultural and historical significance, and it is established in 2009. Starting with just one programme and eight students, CUTN can now boast of phenomenal development with over 60 programmes and over 2000 students in such a short spell. From the introduction of new programmes and curricular innovation to reach infrastructure development and faculty capacity building, the university has turned its focus in the right areas, and as a result, it has witnessed a huge rise in popularity across the country, attracting the best of minds from the far corners. CUTN represents over 23 Indian states, apart from foreign students.

About the Department

The Department of Mathematics was started in the year 2010. Department of Mathematics strives to be a premier educational and research facility in India focusing on innovative teaching, abstraction, application and interdisciplinary research in Mathematics. The Department promotes professional working environment that supports risk taking, innovative ideas and team work. We offer five-year Integrated Master programme (I.M.Sc.) in Mathematics and Ph.D. programme in Mathematics. that includes essential abstract and applied topics of Mathematics.

About the Programme

The aim of the Symposium will be focused towards the understanding of fundamental concepts in linear algebra and multi variable calculus. In addition it will provide a platform for participants to solve CSIR/GATE problems.

Speakers

Dr. M. Marudai, Honorary Professor
Bharathidasan University

Dr. I. Jeyaraman, Assistant Professor
National Institute of Technology Trichy

Dr. S. V. Bharanedhar, Assistant Professor,
Central University of Tamil Nadu

Patron - in - Chief

Dr. M. Krishnan, The Hon'ble Vice Chancellor, CUTN

Organizing Team

Dr. V. Renuka Devi, Head & Associate Professor

Dr. T. Sengadir, Professor

Dr. R. Roopkumar, Professor

Dr. A. Chandrashekar, Assistant Professor

Dr. V. P. Ramesh, Assistant Professor

Dr. N. Barani Balan, Assistant Professor

Dr. Virendra Kumar, Assistant Professor

Dr. T. Kavaskar, Assistant Professor

Dr. S. V. Bharanedhar, Assistant Professor

Lunch will be provided to the registered participants.
TA & Accommodation will not be provided.
Last date for registration is 11-03-2023
Last date for Payment of registration fee is 13-03-2023
Contact Details: mathsofficecutn@gmail.com
Reporting Time : 09.00 @ Dept. of Mathematics, CUTN

Eligibility: Any inquisitive PG students, Research Scholars and Faculty members can apply.
Registration fee : Rs. 100
Payment Mode : Online via SBI Collect
Fees may be paid through the following link:
