Grievance Related To (Central/Deemed/Private/State University) : Central university of Tamil Nadu-Tamil Nadu

Nature of Grievance: Non payment or delay in payment of scholarships to any student

Grievance Text: Respected Sir/Madam,

This is my fifth and final year at the Central University of Tamil Nadu for a Ph.D. in Commerce. I began my position in October 2018 with support from a university fellowship and in July 2019 I passed the Junior Research Fellowship exam. In February of 2020, after I had generated with fellowship ID, the amount was finally credited, two months later. For the time period of September 2019 to December 2019, I was not able to claim on my contingency. University was closed to students/scholars from March 2020 to January 2021. The university's nodal officer was unable to accommodate my request to place a contingency. The conversation took place during an online meeting between the UGC's chairman and secretary on September 30th, 2022. I discovered that we can request back pay as long as we provide a valid justification and that the university's nodal officer is unequipped to make changes to the option as the field is frozen. I'm inquisitive as to how I go about pursuing those back payments. Our Nodal Officer needs to know the email id for whom the communication can be made, as he lacks the knowledge in this aspect. It is the problem for more than 10 scholars from our university. Kindly do the needful as soon as possible.

Regards,
UGC Grievance Team

ID: GRIEVANCE-STU-2022-96702-1.

Madam,

With reference to the letter cited above, the University maker has requested fetch/raise Exception in UGC Canara bank portal on 10.10.2022 for the scholar to make contingency payment in the portal. Once UGC approves in the portal, the contingency bills entry shall be made for the scholar's ledger. Hence, the grievance to be solved by UGC.

Yours truthfully,

Joint Registrar
