Publication of Titles in Banners and Brochures in Tamil, Hindi and English

As part of our commitment to promoting the National Educational Policy 2020 and in line with the vision of Department of Official Language, Ministry of Home Affairs, Government of India, we kindly request all schools and departments to publish the Titles in banners for Events, Initiatives, Activities and brochures, boards, sign boards, name plates, seals and directional indicators, in three languages (i.e) Regional Language (Tamil), Hindi and English (in this order). It is important that the title of our University, "Central University of Tamil Nadu," is prominently displayed in all three languages.

To ensure accuracy and consistency in the translation, we request all departments to consult with the university's Official Language Section. Their expertise will help in proper usage and translation of the content, particularly in Hindi.

Your cooperation in this matter is greatly appreciated.

This is issued with the approval of competent authority
