Student Feedback Analysis
Observations and Action Taken Report

Academic Year	Observations	Action Taken
2020-21	Students provided feedback that few new course contents can be added on par with recent developments in the field.	Teachers were asked to discuss new topics and trends that were on par with recent developments in the field.
2021-22	Students wanted additional information on some of the topics outside the curriculum	The teachers were instructed to do the same via. from the library, reference books, etc.
2021-22	Some of the students wanted more clarity on the course objectives.	Teachers were asked to discuss the Course objectives based on the student's request.
2021-22	Some of the students wanted the latest trends in the job market to be discussed.	The teachers were asked to discuss new trends in the job market and career opportunities as a separate activity.
2022-23	Overlap with other course content.	The teachers were instructed to provide extra course information (via. reference books, reference materials, etc.) for the overlapped content.
2022-23	The learning objectives of the course are satisfactory. Students provided feedback that the learning objective of the course could be more specific.	Course outcomes and objectives were provided to the students as requested, and the same was explained in class.
