

**Central University of Tamil Nadu, Thiruvavur, Ranked among
Top 100 Universities in India**

Thiruvavur, Tamil Nadu - 08 June 2023

The Central University of Tamil Nadu (CUTN), Thiruvavur, has achieved a remarkable feat by securing its position among the top 100 universities in India consecutively for two years, according to the prestigious National Institutional Ranking Framework (NIRF). This recognition establishes CUTN as a leading institution of higher education and highlights its commitment to academic excellence and research.

CUTN, located in Thiruvavur, is ranked **the first university among the 12 Central Universities** established by an Act of Parliament in 2009. CUTN ranks **fourth in the Outreach and Inclusivity parameters among the top 10 universities category** out of 8,686 institutions. The university's dedicated faculty, state-of-the-art infrastructure, and academic programs have contributed to its significant growth and success over the years.

Expressing his delight and pride, Professor M. Krishnan, the esteemed Vice Chancellor of CUTN, emphasized the significance of being the top-ranked university among the central universities established in 2009. He commended the collective efforts of the faculty, staff, and students for their unwavering commitment to academic excellence, research, and community engagement.

The Vice Chancellor also expressed his happiness that 22 educational institutions from Tamil Nadu had secured positions in the top 100 rankings, thereby highlighting the state's commitment to education and its rich academic legacy.

The NIRF rankings, released annually by the Ministry of Education, Government of India, serve as a comprehensive assessment of higher education institutions across the country. These rankings consider various parameters such as teaching and learning resources, research and professional practices, graduation outcomes, outreach and inclusivity, and perception of the university.

The Central University of Tamil Nadu ranks 89th in the top 100 Universities category among the 8,686 educational institutions in India as per the NIRF ranking. The overall score of the university has improved when compared to the last year. This serves as a testament to its commitment to academic excellence and holistic development. The university remains dedicated to fostering an environment that nurtures creativity, critical thinking, and innovation, thereby shaping the future leaders and contributors to society.
