Press Release No. 027                                              15 July 2023

## Community College of Central University of Tamil Nadu Celebrates Successful Completion of First Batch of 3 year B.Voc - Digital Journalism and Multimedia Application Course

Thiruvarur, Tamil Nadu

The Community College of the Central University of Tamil Nadu takes great pride in announcing the successful completion of the first batch of the three-year vocational course, B.Voc - Digital Journalism and Multimedia Application. The course, which commenced in 2018, aimed to enhance the skills of the local community and provide them with opportunities for employment without the need for an entrance examination to join the course.

The B.Voc - Digital Journalism and Multimedia Application program has been a resounding success, and several other B.Voc courses have been introduced since then, equipping students with practical skills and knowledge in the field. The courses are focused on empowering students with the necessary expertise to excel in the rapidly evolving media industry.

The first batch of 16 students who undertook the B.Voc program were hornoured at an event held at CUTN. CUTN is also delighted to announce that four students from the first batch have already been placed in leading news dailies, a testament to the effectiveness and industry relevance of the B.Voc program.

The event was graced by the esteemed presence of Prof. R. Thirumurugan, the Registrar of the Central University of Tamil Nadu, and Prof. S. Nagarajan, the Controller of Examination (i/c). who congratulated the students on their achievements and wished them success in their future endeavors.

The Community College of Central University of Tamil Nadu remains committed to providing skill-oriented certificate courses and vocational programs that cater to the needs of the local community.
