

PUBLIC NOTICE

30.05.2026

Subject: Re-scheduling of examination for the candidates affected due to technical glitch in CUET (UG) – 2026 on 30.05.2026 (Shift-I)-reg.

It has been reported that the CUET (UG) – 2026 examination scheduled on 30.05.2026 (Shift-I) experienced delays at certain examination centres due to unforeseen technical glitches. M/s TCS, the technology service provider of NTA, has been asked to do a root cause analysis of the glitch and submit its report immediately.

2. A total of 73,106 candidates were present at their allotted examination centers, and their biometric registration was completed. Out of these, 69,341 candidates (almost 95%) completed their examination at their respective centers on 30.05.2026 (Shift-I). However, due to the technical glitch that led to the delay in the commencement of the examination, 3,765 candidates could not wait until the examination resumed and left their respective examination centers, without appearing for the test.

3. As a one-time measure for these 3,765 candidates who were present at their allotted examination centres and whose biometric registration was completed on 30.05.2026 (Shift-I), but who were unable to take the examination owing to the technical glitch, will be provided an opportunity to appear in a rescheduled examination. The date and other details of the examination will be notified separately.

4. Candidates are advised to regularly visit NTA website <https://nta.ac.in> and <https://cuet.nta.nic.in> for the latest updates regarding the examination. In case of any difficulty in downloading the Admit Card or discrepancy in the details contained in the Admit Card, candidates can contact the NTA Help Desk at 011-40759000 or write to NTA at cuet-ug@nta.ac.in.
