

Prof. P. Ravindran,
 Professor,
 Department of Physics,
 School of Basic and Applied Sciences,
 Central University of Tamil Nadu,
 Thiruvarur-610 101.
 Cell: +91-948905426, +91-8300178007
 E-mail: raviphy@cutn.ac.in, ravi@kjemi.uio.no

Date of Joining : 19.03.2012
Experience : Teaching: **16** years; Research: **20** years
Field of specialization : Computational Materials Science
Courses Taught : Atomic and Molecular Physics, Solar Energy and Its Applications, Electricity and Magnetism, Semiconductor Physics, Condensed Matter Physics, Properties of Materials, Computational Condensed Matter Physics, Advances in Computational Materials Science, Ab-initio modelling of Solar Energy Materials

Number of research papers /Articles published:

Published	Journals	Impact / H-index
International	132 + 3(Review Articles)	Cumulative Impact factor: 462.483
National	8	H-index: 36 i10-index: 94

Number of Books published : 3 + 2(Edited)
Conferences/seminars/workshops papers presented: National: 44, International: 68
Research consultancy / projects : Completed: 19, Ongoing: 2 + 9 (Academic Projects)
Guidance : M.Sc.Project: 9
 Ph.D: Awarded-6 Guiding-8
 Post docs: 6

Organizing the conferences/seminars/workshops : 16 (National +International)
